Quality, THAT WE ALL can taste!

Some things take time – and people who believe in them. For the Boandlkramerei, we didn't just buy vegetables off the shelf. We had them grown exclusively for you – in genuine organic Bavarian quality.

Because you can taste the difference – when you give it meaning.

In close cooperation with farmers from the Munich region and our partner Unser Land, everything was cultivated from the very first seed to the harvest with one goal:

That it arrives on your plate fresh, seasonal, and honest.

So you can taste what is possible when nature is given time – and craftsmanship is given value.

BOANDLKRAMER POETRY – RHYMED, LAUGHED, AND ABOUT DEATH SOMETHING TO READ – BOANDLKRAMER POETRY!

Pitch-black humor is the result when the “Boandlkramer” writes poems.

After all, he just can't escape his true nature.

It gets very funny when he rants about cyclists, collects gravestone inscriptions, or philosophizes about Bavarian beer.

TO GOOD TO GO!

Essen soll nicht verschwendet werden – sondern helfen. Am letzten Veranstaltungstag spenden wir unsere übrig gebliebenen Lebensmittel an die Maria-Welz-Stiftung „Leben ist Fülle e.V.“

Denn unser Ziel ist klar: Lebensmittel gehören nicht in den Müll – sie gehören dahin, wo sie gebraucht werden.

Mit der Stiftung Maria Welz – Leben ist Fülle e.V. haben wir einen starken Partner an unserer Seite, der sich mit Herzblut für Menschen in Not einsetzt. Diese Stiftung steht für gelebte Menschlichkeit, echte Solidarität und ein Miteinander, das Hoffnung schenkt.

Wir danken von Herzen für diese wertvolle Zusammenarbeit. *Es ist genug für alle da.*

HEARTFELT DISH DONATION – FOR THE “BUNTE MÜNCHNER

For every Heartfelt Dish sold, we donate €1 to the association Bunte Münchner Kindl e.V.

Together with you, we want to support children who are sick, disadvantaged, or in need. The association is committed with great dedication in the greater Munich area – by helping with therapy costs, fulfilling small wishes, or offering quick and unbureaucratic support for families in difficult situations.

Our donation helps bring children a piece of joy, hope, and normality.

Thank you very much for your support!

SO IT TASTES LIKE HOME

We believe that you can taste quality – and sense conviction.

That's why we rely on genuine regional quality – not as a trend, but out of belief.

For us this means:

short transport routes

honest farming

respectful treatment of animals and nature

Regional organic farming is more than just a method.

It's a promise – to our soils, our water, our air, and to the biodiversity we want to protect.

It creates habitats, preserves traditions, and strengthens the balance of the natural cycle.

And people matter too.

With every product from the region, we strengthen the craftsmanship around us.

We support farmers we personally know.

We foster structures based on fairness, quality, and responsibility – instead of mass production, pressure, and anonymity.

That's what responsibility tastes like – that's what Bavaria tastes like.
